

CORRIGENDUM - 2

EXTENSION OF EOI OPENING DATE

EOI NO.:C-SAS/OTE/GEN/2024/002

Date: 16.11.2024

Sir,

**CORRIGENDUM-2 – EOI FOR EMPANELMENT OF INDIAN ENTITIES FOR THE DESIGN, DEVELOPMENT, LOW VOLUME MANUFACTURING, SUPPLY AND INTEGRATION OF POWER ELECTRONICS SYSTEMS & EMBEDDED SYSTEMS FOR MARITIME APPLICATION**

The following terms of the subject tender in amended on follows:

1. Critical dates for EoI

Dates	Existing	Amendment
Due date for Bid Submission	19 <sup>th</sup> November 2024, Time: 03.00 PM	30 <sup>th</sup> November 2024, Time: 03.00 PM
Bid Opening date	20 <sup>th</sup> November 2024, Time: 03.00 PM	02 <sup>nd</sup> December 2024, Time: 03.00 PM

2. The following amendments have been made in the respective sections as indicated below.

Existing	Amendment
EoI for Empanelment of Indian Bidders for the Design, Development, Low Volume Manufacturing, Supply and Integration of Power Electronics Systems & Embedded Systems for Maritime Applications	EoI for Empanelment of Indian entities for the Design, Development, Low Volume Manufacturing, Supply and Integration of Power Electronics Systems & Embedded Systems for Maritime Applications
<b>Section 1, Para 2</b> The Bidder or The Prospective partner is an organization making a formal proposal against this EOI and comply with all the requirements of this EOI.	<b>Section 1, Para 2</b> CSL invites sealed Expressions of Interest (EoI) from qualified Indian entities that meet the eligibility criteria outlined in Section 4. This EoI is for Shortlisting and Empanelment of Indian entities for the Design, Development, Low volume manufacturing, Supply, and Integration of Power electronics systems & Embedded systems primarily for the maritime and allied applications, though not exclusively limited to it. CSL's decision with regard to short-listing and empanelment of bidders through this EoI shall be final and CSL reserves the right to reject any or all the bids without assigning any reason.

<p><b>Section 1, Para 3, Sentence 1</b> The objective of this Expression of Interest (EOI) is to identify qualified Indian Bidders for empanelment, in order to partner / associate for indigenously developing maritime products and services in the technical domains listed below.</p>	<p><b>Section 1, Para 3, Sentence 1</b> The objective of this Expression of Interest (EOI) is to identify qualified Indian entities for empanelment, in order to partner / associate for indigenously developing products and services in the technical domains listed below, which could be primarily used for the maritime and allied applications, though not exclusively limited to it.</p>
<p><b>Section 1, Para 9, Sentence 1</b> During the course of apt project requirements, NDA shall be signed with the empanelled bidders to enable swift exchange of information.</p>	<p><b>Section 1, Para 9, Sentence 1</b> Upon empanelment, NDA shall be signed with successful bidders to enable swift exchange of information.</p>
<p><b>Section 1, Para 13, Sentence 1</b> Post evaluation, a maximum of five Bidders each in the respective domains shall be empaneled based on their merit during assessment.</p>	<p><b>Section 1, Para 13, Sentence 1</b> Post evaluation, eligible Bidders in the respective domains shall be empaneled. CSL reserves the right to limit the empanelment to a fixed number, irrespective of the number of qualified bidders. In such case, the decision of CSL shall be final.</p>
<p><b>Section 3 General Requirements:</b> The Bidders empanelled shall be capable of performing the following activities:</p>	<p><b>Section 3 General Requirements:</b> The Bidders to be empaneled shall be capable of exclusively performing the following activities on “work for hire” basis:</p>
<p><b>Section 3, Point 3, Sentence 1</b> <u>Prepare detailed technical documents</u> Prepare budgetary estimates for the design, development, low volume production, supply and integration of items pertaining to respective domain.</p>	<p><b>Section 3, Point 3, Sentence 1</b> <u>Prepare detailed technical documents:</u> The Empaneled Entity shall assist CSL in preparing the detailed technical documents viz, comprehensive concept of operation documents, system design documents, Bill of Materials, Firmware design document.</p>
<p><b>Section 3. General Requirements, 6<sup>th</sup> Point</b> <u>Consent for co-development &amp; Joint ownership concept:</u> In the context of joint development, the Bidder shall agree that any design or solution co-developed pursuant to the agreement shall be jointly owned (IPR/patent/copyrights etc.), and each party shall be considered a co-author, co-inventor, or joint creator for purposes of patents, copyrights, trademarks, trade secrets, or any other intellectual property rights. Both parties shall have an equal and undivided interest in the said IP Rights, and neither party shall, without the express written consent of the other, transfer, license, or assign their interest in the IP Rights to a third party.</p>	<p><b>Section 3. General Requirements, 6<sup>th</sup> Point</b> The Section for consent for co-development &amp; Joint ownership concept is deleted.</p>

<p><b>Section 3. General Requirements, 7<sup>th</sup> Point</b>  <b>Consent for “Work made for Hire” Concept:</b> During the work engagements under “work made for hire” category, any IPR developed in or produced under or in connection with this EOI / subsequent tender, by issuing relevant purchase order for the respective product / service the IPR/patent/copyrights etc. will be the sole property of the CSL. The Bidder will have to give the technical know-how, transfer the design data and manufacturing data of the deliverable item to CSL. However, CSL will give the first right to refusal to the Bidders for manufacturing.</p>	<p><b>Section 3. General Requirements</b>  <b>Consent for “Work made for Hire” Concept</b>  All intellectual property rights (IPR) arising from any work engagements under this EOI, whether designated as “work made for hire” or otherwise, shall be the exclusive property of CSL. This includes, but is not limited to, any patents, copyrights, trademarks, and other proprietary rights developed or produced in connection with this EOI and any subsequent tender or purchase order issued for specific products or services.  The selected Bidder(s) shall document and disclose all technical know-how, source codes, softwares and transfer all relevant design data and manufacturing data associated with the deliverable items to CSL. Notwithstanding CSL’s ownership of the IPR, CSL will extend a first right of refusal to the empanelled entity for the manufacturing of these products, should such a requirement arise.</p>
<p><b>Section 4 Eligibility Criteria</b>  <b>4.1 General:</b> The Bidder shall be Single entity.</p>	<p><b>Section 4 Eligibility Criteria</b>  <b>4.1 General:</b> The Bidder shall be Single legal entity registered under the Companies Act, 2013. Only Indian entities are permitted to participate.</p>
<p><b>Section 4 Eligibility Criteria</b>  <b>4.1 General:</b>  <b>Note:</b> Joint ventures and Consortiums are not allowed for applying to the EOI. It is also not allowed post the empanelment and when executing the subsequent tender / order in connection with this EOI.</p>	<p><b>Section 4 Eligibility Criteria</b>  <b>4.1 General:</b>  <b>Note:</b> Joint ventures and Consortiums are not eligible for applying to the EOI. It is also not allowed to form Joint ventures or Consortium post the empanelment and when executing the subsequent tender / order in connection with this EOI.</p>
