List, rolling, trim and pitch according to limits as per Class

Above requirements to be considered as minimum, any other requirements which are necessary to meet class/IMO/flag rules/regulations shall be considered for design and operation of the equipment.

### 5. Supply of Documents

All documents shall be in English and in SI unit system and the following documents shall be submitted, where applicable. The drawing approval where required by the Classification Society shall be obtained by the manufacturer.

#### 5.1 Documents to be submitted along with offer

- a) Technical data of the forementioned items.
- b) Preliminary Bill of Materials.
- c) Weight details.
- d) List of spares / tools as required by class (if any).
- e) Compliance Matrix/ Deviation List against PTS.

## 5.2 Documents to be submitted within 21 working days after placement of Order/LOI/As per final agreement

- a) Detailed Bill of Material.
- b) Detailed drawing for forementioned items.
- c) Technical data of the forementioned items.
- d) Weight details
- e) Details of Installation
- f) List of spares / tools as agreed

## 5.3 Documents to be submitted along with delivery of Machinery and/or Equipment to the Yard (4 sets / vessel unless otherwise mentioned)

a) Packing list (with reference to each item of Bill of Materials)

#### 6. General Remarks

a) Liability

Manufacturer shall bear all responsibilities for the shop trials and the delivery of the machinery or equipment.

b) Painting

Painting schedule shall be as per manufacturer's standard and the painting scheme shall be specified.

c) <u>Preservation</u>

Recommended method of preservation and names of recommended preservatives shall be indicated. Maximum R.H. (Relative Humidity) at Howrah in West Bengal is around 80% and minimum R.H is at around 60%.

## d) Special Tools

Special tools if any required for installation have to be supplied with the equipment

#### SECTION B – TECHNICAL SPECIFICATIONS

#### PART-1: EXHAUST SUPPORTS

- a) The exhaust supports supplied must be suitable for marine applications, function smoothly and achieve full specified performance at design and environmental conditions without any undue effect on maintenance or life.
- b) It should withstand air contamination through oil, salt and other contaminants associated with the marine environment.
- c) The exhaust piping arrangement drawing is attached herewith as <u>Annexure –</u> <u>1.1 & 1.2</u>. There are 4 (four) internal combustion engines in the vessel from the exhaust pipes are routed to atmosphere through casing. They are two (02) Main Engines and two (02) Gensets. The type and number of pipe supports shall be as per the attached drawing.
- d) In case of any extra support required for the piping components as per the experience and expertise of the bidding firm, the same shall be mentioned in the technical offer.

e) The exhaust pipe details and the approximate number of supports are listed below.

- f) There is a silencer in each exhaust pipe. The dimensions shall be referred from the drawing.
- g) The exhaust pipes and silencers to be properly supported with vibration isolators as mentioned in the drawing.

## PART-2: RAIN HATS

- a) The Rain hats shall be made of SS316L.
- **b)** The cushions shall be made of stainless-steel Mesh suitable for open deck installation (As per Annexure 1).
  - c) Nuts, Bolts & other fasteners shall be SS 316 L.
  - d) Item to be **Type Approved** by any IACS Member (Preferably IRS).
  - e) Typical Rainhat as below (the same is available in Sheet 5 of 6 of the attached annexure-1.1):-

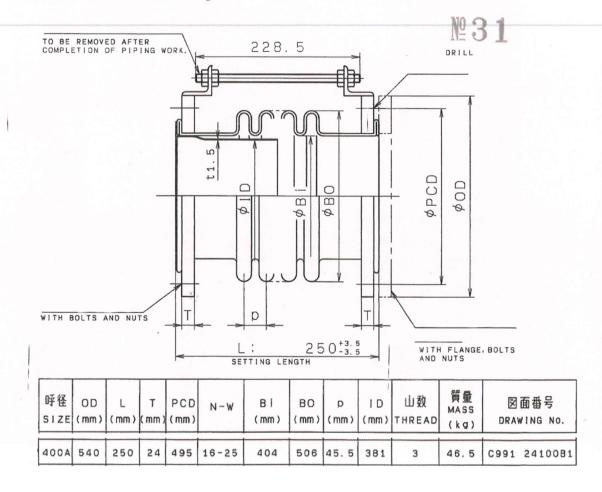

TYPICAL ONLY - NOT TO SCALE APPLY TO SPECIFIC PIPE SIZE AND INSTALLATION

f) Requirement Table:-

| System                          | <b>Pipe Size</b> | <b>Quantity Required</b> |  |

## **PART-3: EXPANSION BELLOW**

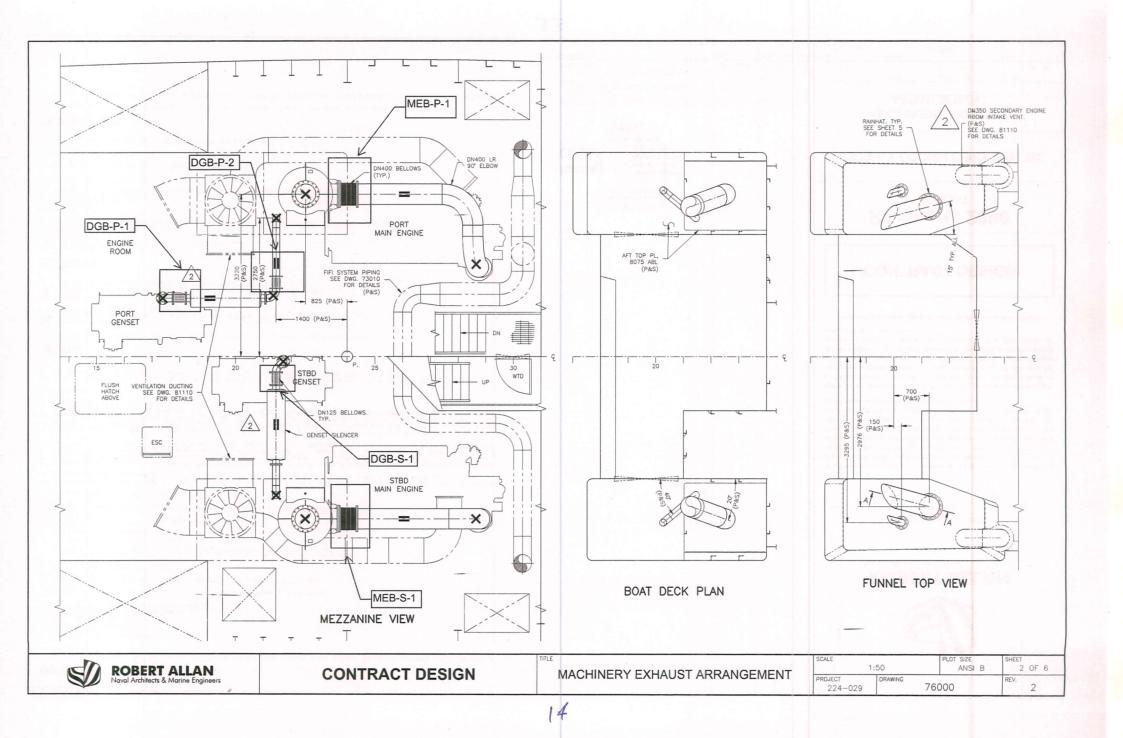

- a) The Exhaust Bellow marked in the Diagram are under the bidder firm's Scope. The item codes of the bellows are marked in the diagram (Annexure-1.1). In case of any additional Bellows mandatorily required for the exhaust Pipe routing based on the experience and expertise of the bidder form, then the same shall be included in Vendor's Scope.
- **b)** Bellow Type: Should be Suitable for marine exhaust system. Vendor has to recommend suitable type.
- c) Flange Standards EN-1092-1
- d) Exhaust System Piping Layout (As per Detail Engineering Model) enclosed as Annexure 1.2.
- e) Item to be **Type Approved** by any IACS Member (Preferably IRS).
- f) Specifications for the Main Engine Bellows:
  - I. Hydro Test Pressure: 0.3 MPa
  - II. Working Temperature: Max. 600 Deg. C.
  - III. Material: SUS321
  - IV. Reference Drawings: -

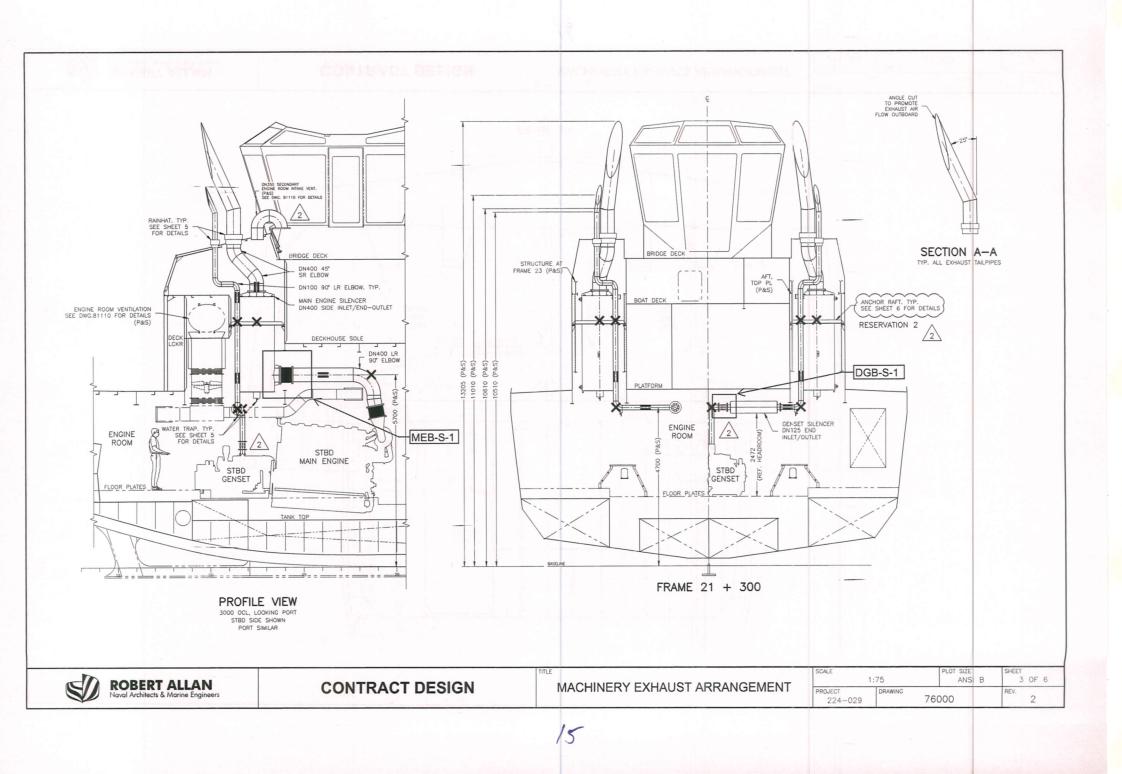

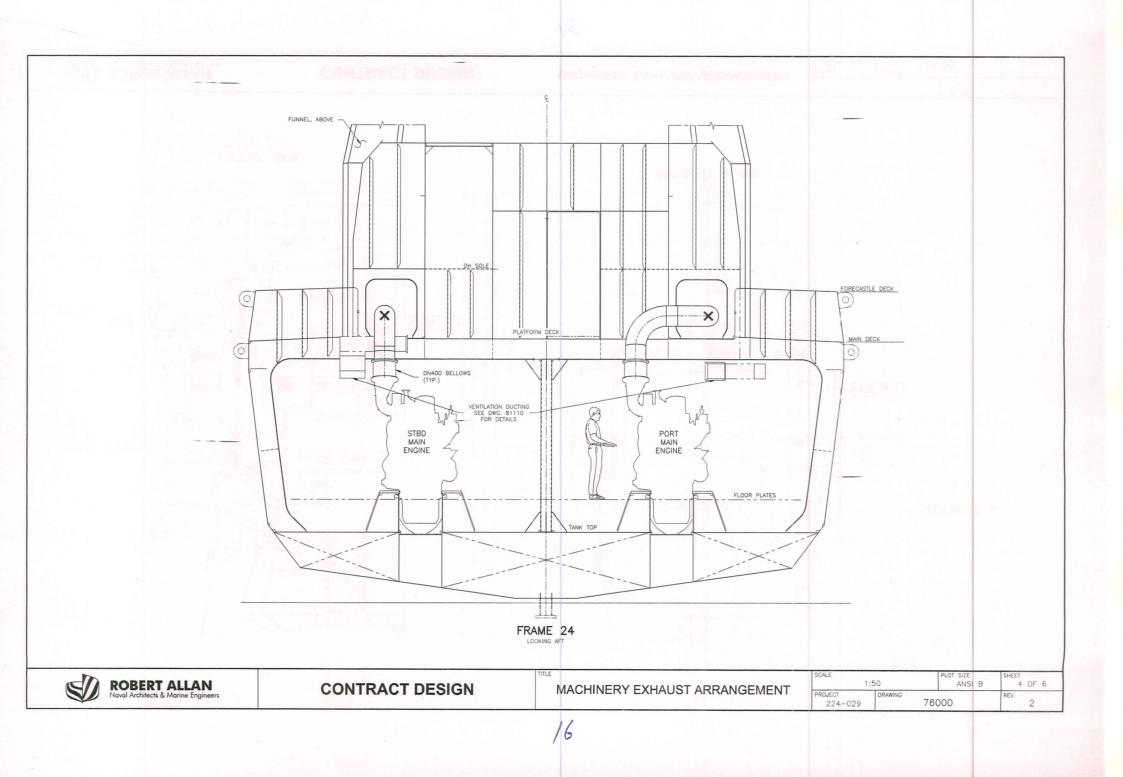

- g) Specifications for the Diesel Generator Bellows:
  - I. Hydro Test Pressure: 1.5 x Design Pressure (Min.). Design pressure suitable for this application has to be recommended by the vendor.

#### Price Bid Instructions

- 1. Price Bid to be submitted strictly as per format. Modifying the format will result in rejection of the bid.
- 2. Prices quoted should be inclusive of Class certification charges as per Annexure-1 (if required)
- 3. Quoted items should comply with the technical specification as per Annexure-1.
- 4. Rates quoted shall be inclusive of packing forwarding and transportation charges.
- 5. Bidders can participate for all Schedules, i.e. Schedule 1, Schedule 2 & Schedule 3 or any combination of any two of them or even single schedule also. The L1 bidder shall be determined based on Overall quoted amount (Excl. GST) on each Schedule. i.e., Individual L1 for Schedule 1 items, Schedule 2 items & Schedule 3 items.
  - Schedule 1: Design & Supply of Exhaust Support
  - Schedule 2: Supply of Rainhats
  - Schedule 3: Supply of Expansion Bellow
- 6. Also quoting on each line item in the individual Schedule is mandatory. Offer of individual Schedule shall only be considered/accepted if all line items in the Schedule are quoted.

### Important Note:

1. Un-priced Bid, to be submitted along with techno commercial bid (Part 1 – Techno-Commercial Bid) with details showing whether "Amount quoted/ Nil/ Included" against respective column.

2. Price bid without password or found attached along with techno-commercial document will be subjected to rejection of the bid.

3. Do not provide the password of the price bid through email during submission of the bid. The password will be asked upon intimation of price bid opening after techno-commercial evaluation.

## Restriction on Procurement from Countries Sharing Land Border with India

(a) Any bidder from a country which shares a land border with India will be eligible to bid only if the bidder is registered with the Competent Authority, specified below.

(b) A bidder is permitted to procure raw material, components, sub-assemblies etc., from vendors from countries sharing land border with India. Such vendors will not be required to be registered with competent authority.

(c) However, in case the bidder has proposed to supply finished product from vendors from countries sharing land border with India, such vendors will be required to be registered with competent authority

- (d) Definitions
  - (i) "Bidder" for the purpose of the Order (including the term "tenderer", "consultant", "vendor" or "service provider" in certain contexts) means any person or firm or company, including any member of a consortium or joint venture (that is an association of several persons, or firms or companies), every artificial juridical person not falling in any of the descriptions of bidders stated hereinbefore, including any agency, branch or office controlled by such person, participating in a procurement process.
  - (ii) "Tender" for the purpose of the Order will include other forms of procurement, except where the context requires otherwise.
  - (iii) "Bidder from a country which shares a land border with India" for the purpose of the Order means
    - An entity incorporated, established or registered in such a country; or
    - · A subsidiary of an entity incorporated, established or registered in such a country; or
    - An entity substantially controlled through entities incorporated, established or registered in such a country; or
    - An entity whose beneficial owner is situated in such a country; or
    - An Indian (or other) agent of such an entity; or
    - · A natural person who is a citizen of such a country; or
    - A consortium or joint venture where any member of the consortium or joint venture falls under any of the above
  - (iv) "Agent" for the purpose of the Order is a person employed to do any act for another, or to represent another in dealings with third persons.
  - (v) Beneficial owner for the purposes of point (iii) above will be as under:
    - In case of a company or Limited Liability Partnership, the beneficial owner is the natural person(s), who, whether acting alone or together, or through one or more juridical person(s), has a controlling ownership interest or who exercises control through other means. Explanation: -
    - In case of a partnership firm, the beneficial owner is the natural person(s) who, whether acting alone or together, or through one or more juridical person, has ownership of entitlement to more than fifteen percent of capital or profits of the partnership;
    - In case of an unincorporated association or body of individuals, the beneficial owner is the natural person(s), who, whether acting alone or together, or through one or more juridical person, has ownership of or entitlement to more than fifteen percent of the property or capital or profits of such association or body of individuals;
    - Where no natural person is identified under para (iii) above, the beneficial owner is the relevant natural person who holds the position of senior managing official;
    - In case of a trust, the identification of beneficial owner(s) shall include identification
      of the author of the trust, the trustee, the beneficiaries with fifteen percent or more
      interest in the trust and any other natural person exercising ultimate effective control
      over the trust through a chain of control or ownership.

- (e) Wordings of certificate to be submitted along with tender documents: -
  - "I have read the clause regarding restrictions on procurement from a bidder of a country which shares a land border with India. ## Purchase Preference for Make in India (MII)

#### Purchase Preference for Make in India (MII)

(a) To encourage "Make in India" and promote manufacturing and production of goods and services in India with a view to enhancing income and employment, Department of Promotion of Industry and Internal Trade (DPIIT), Ministry of Commerce and Industry, Government of India, issued Public Procurement (Preference to Make in India), Order 2017. The order is issued pursuant to Rule 153 (iii) of GFR, 2017. The Order is applicable on the procurement of Goods, Works and Services. For the purpose of this Order: -

(b) Eligibility of "Class-I local supplier"/ "Class-II local supplier"/ "non-local suppliers" for different types of procurement

- (i) In procurement of all goods, services or works in respect of which the Nodal Ministry/ Department has communicated that there is sufficient local capacity and local competition, only "Class-I local supplier", shall be eligible to bid irrespective of purchase value.
- (ii) Only "Class-I local supplier" and "Class-II local supplier", shall be eligible to bid in procurements undertaken by procuring entities, except when Global tender enquiry has been issued. In global tender enquiries, "non-local suppliers" shall also be eligible to bid along with "Class-I local suppliers" and "Class-II local suppliers". In procurement of all goods, services or works, not covered by sub-para (a) above, and with estimated value of purchases less than Rs. 200 Crore.

#### (c) Purchase Preference

- A In the procurements of goods or works which are divisible in nature, the "Class-I local supplier" shall get purchase preference over "Class-II local supplier" as well as "non-local supplier", as per following procedure: -
  - (i) Among all qualified bids, the lowest bid will be termed as L1. If L1 is "Class-I local supplier", the contract for full quantity will be awarded to L1.
  - (ii) (ii) If L1 bid is not a "Class-I local supplier", 50 (fifty) percent of the order quantity shall be awarded to L1. Thereafter, the lowest bidder among the "Class-I local supplier" will be invited to match the L1 price for the remaining 50 (fifty) percent quantity subject to the Class-I local supplier's quoted price falling within the margin of purchase preference, and contract for that quantity shall be awarded to such "Class-I local supplier" subject to matching the L1 price. In case such lowest eligible "Class-I local supplier" fails to match the L1 price or accepts less than the offered quantity, the next higher "Class-I local supplier" within the margin of purchase preference shall be invited to match the L1 price for remaining quantity and so on, and contract shall be awarded accordingly. In case some quantity is still left uncovered on Class-I local suppliers, then such balance quantity may also be ordered on the L1 bidder
- B In the procurements of goods or works which are not divisible in nature, and in procurement of services where the bid is evaluated on price alone, the "Class-I local supplier" shall get purchase preference over "Class-II local supplier" as well as "non-local supplier", as per following procedure: -
  - (i) Among all qualified bids, the lowest bid will be termed as L1. If L1 is "Class-I local supplier", the contract will be awarded to L1.
  - (ii) If L1 is not "Class-I local supplier", the lowest bidder among the "Class-I local supplier", will be invited to match the L1 price subject to "Class-I local supplier's" quoted price falling within the margin of purchase preference, and the contract shall be awarded to such "Class-I local supplier" subject to matching the L1 price.
  - (iii) In case such lowest eligible "Class-I local supplier" fails to match the L1 price, the "Class-I local supplier" with the next higher bid within the margin of purchase preference shall be invited to match the L1 price and so on and contract shall be awarded accordingly. In case none of the "Class-I local supplier" within the margin of purchase preference matches the L1 price, the contract may be awarded to the L1 bidder.
  - (iv) "Class-II local supplier" will not get purchase preference in any procurement, undertaken by procuring entities.

(d) Applicability in tenders where contract is to be awarded to multiple bidders In tenders where contract is awarded to multiple bidders subject to matching of L1 rates or otherwise, the "Class-I local supplier" shall get purchase preference over "Class-II local supplier" as well as "Non-local supplier", as per following procedure:

- (i) In case there is sufficient local capacity and competition for the item to be procured, as notified by the nodal Ministry, only Class Hocal suppliers shall be eligible to bid. As such, the multiple suppliers, who would be awarded the contract, should be all and only "Class I Local suppliers".
- (ii) In other cases, "Class II local suppliers" and "Non local suppliers" may also participate in the bidding process along with "Class I Local suppliers" as per provisions of the Order.
- (iii) If "Class I Local suppliers" qualify for award of contract for at least 50 (fifty) percent of the tendered quantity in any tender, the contract may be awarded to all the qualified bidders as per award criteria stipulated in the bid documents. However, in case "Class I Local suppliers" do not qualify for award of contract for at least 50 (fifty) percent of the tendered quantity, purchase preference should be given to the "Class I local supplier" over "Class II local suppliers"/ "Non local suppliers" provided that their quoted rate falls within 20 (twenty) percent margin of purchase preference of the highest quoted bidder considered for award of contract so as to ensure that the "Class I Local suppliers" taken in totality are considered for award of contract for at least 50 (fifty) percent of the tendered quantity.
- (iv) First purchase preference has to be given to the lowest quoting "Class-I local supplier", whose quoted rates fall within 20 (twenty) percent margin of purchase preference, subject to its meeting the prescribed criteria for award of contract as also the constraint of maximum quantity that can be sourced from any single supplier. If the lowest quoting "Class-I local supplier", does not qualify for purchase preference because of aforesaid constraints or does not accept the offered quantity, an opportunity may be given to next higher "Class-I local supplier", falling within 20 (twenty) percent margin of purchase preference, and so on.
- (e) Minimum local content: The "local content" requirement to categorize a supplier as "Class-I local supplier" is minimum 50 (fifty) percent. For "Class-II local supplier", the "local content" requirement is minimum 20 (twenty) percent. Nodal Ministry/ Department may prescribe only a higher percentage of minimum local content requirement to categorize a supplier as "Class-I local supplier"/ "Class-II local supplier". For the items, for which Nodal Ministry/ Department has not prescribed higher minimum local content notification under the Order, it shall be 50 (fifty) percent and 20 (twenty) percent for "Class-I local supplier"/ "Class-II local supplier" respectively.
- (f) Requirement for specification in advance: The minimum local content, the margin of purchase preference and the procedure for preference to Make in India shall be specified in the notice inviting tenders or other form of procurement solicitation and shall not be varied during a particular procurement transaction.
- (g) Verification of local content:
  - (i) The "Class-I local supplier"/ "Class-II local supplier" at the time of tender, bidding or solicitation shall be required to indicate percentage of local content and provide self- certification that the item offered meets the local content requirement for "Class-I local supplier"/ "Class-II local supplier", as the case may be. They shall also give details of the location(s) at which the local value addition is made.
  - (ii) In cases of procurement for a value in excess of Rs. 10 crores, the "Class-I local supplier"/ "Class-II local supplier" shall be required to provide a certificate from the statutory auditor or cost auditor of the company (in the case of companies) or from a practicing cost accountant or practicing chartered accountant (in respect of suppliers other than companies) giving the percentage of local content.
  - (iii) False declarations will be in breach of the Code of Integrity under Rule 175(1)(i)(h) of the General Financial Rules for which a bidder or its successors can be debarred for up to two years as per Rule 151 (iii) of the General Financial Rules along with such other actions as may be permissible under law.
  - (iv) A supplier who has been debarred by any procuring entity for violation of the Order shall not be eligible for preference under the Order for procurement by any other procuring entity for the duration of the debarment. The debarment for such other procuring entities shall take effect prospectively from the date on which it comes to the notice of other procurement entities.
