Thereafter, the lowest bidder among the “Class-I local supplier” will be invited to match the L1 price for the remaining 50 (fifty) percent quantity subject to the Class-I local supplier’s quoted price falling within the margin of purchase preference, and contract for that quantity shall be awarded to such “Class-I local supplier” subject to matching the L1 price. In case some quantity is still left uncovered on Class-I local suppliers, then such balance quantity may also be ordered on the L1 bidder

If the lowest quoting „Class-I local supplier“, does not qualify for purchase preference because of aforesaid constraints or does not accept the offered quantity, an opportunity may be given to next higher „Class-I local supplier“, falling within 20 (twenty) percent margin of purchase preference, and so on.

(e) **Minimum local content:** The „local content“ requirement to categorize a supplier as „Class-I local supplier“ is minimum 50 (fifty) percent.
