Purchase Preference for Make in India (MII)

Purchase Preference for Make in India (MII)

(a) To encourage "Make in India" and promote manufacturing and production of goods and services in India with a view to enhancing income and employment, Department of Promotion of Industry and Internal Trade (DPIIT), Ministry of Commerce and Industry, Government of India, issued Public Procurement (Preference to Make in India), Order 2017. The order is issued pursuant to Rule 153 (iii) of GFR, 2017. The Order is applicable on the procurement of Goods, Works and Services. For the purpose of this Order: -

(b) Eligibility of "Class-I local supplier"/ "Class-II local supplier"/ "non-local suppliers" for different types of procurement

- (i) In procurement of all goods, services or works in respect of which the Nodal Ministry/ Department has communicated that there is sufficient local capacity and local competition, only "Class-I local supplier", shall be eligible to bid irrespective of purchase value.
- (ii) Only "Class-I local supplier" and "Class-II local supplier", shall be eligible to bid in procurements undertaken by procuring entities, except when Global tender enquiry has been issued. In global tender enquiries, "non-local suppliers" shall also be eligible to bid along with "Class-I local suppliers" and "Class-II local suppliers". In procurement of all goods, services or works, not covered by sub-para (a) above, and with estimated value of purchases less than Rs. 200 Crore.

(c) Purchase Preference

A In the procurements of goods or works which are divisible in nature, the „Class-I local supplier“ shall get purchase preference over "Class-II local supplier" as well as "non-local supplier", as per following procedure: -

- (i) Among all qualified bids, the lowest bid will be termed as L1. If L1 is "Class-I local supplier", the contract for full quantity will be awarded to L1.
- (ii) If L1 bid is not a "Class-I local supplier", 50 (fifty) percent of the order quantity shall be awarded to L1. Thereafter, the lowest bidder among the "Class-I local supplier" will be invited to match the L1 price for the remaining 50 (fifty) percent quantity subject to the Class-I local supplier's quoted price falling within the margin of purchase preference, and contract for that quantity shall be awarded to such "Class-I local supplier" subject to matching the L1 price. In case such lowest eligible "Class-I local supplier" fails to match the L1 price or accepts less than the offered quantity, the next higher "Class-I local supplier" within the margin of purchase preference shall be invited to match the L1 price for remaining quantity and so on, and contract shall be awarded accordingly. In case some quantity is still left uncovered on Class-I local suppliers, then such balance quantity may also be ordered on the L1 bidder

B In the procurements of goods or works which are not divisible in nature, and in procurement of services where the bid is evaluated on price alone, the "Class-I local supplier" shall get purchase preference over "Class-II local supplier" as well as "non-local supplier", as per following procedure: -

- (i) Among all qualified bids, the lowest bid will be termed as L1. If L1 is "Class-I local supplier", the contract will be awarded to L1.
- (ii) If L1 is not "Class-I local supplier", the lowest bidder among the "Class-I local supplier", will be invited to match the L1 price subject to "Class-I local supplier's" quoted price falling within the margin of purchase preference, and the contract shall be awarded to such "Class-I local supplier" subject to matching the L1 price.
- (iii) In case such lowest eligible "Class-I local supplier" fails to match the L1 price, the "Class-I local supplier" with the next higher bid within the margin of purchase preference shall be invited to match the L1 price and so on and contract shall be awarded accordingly. In case none of the "Class-I local supplier" within the margin of purchase preference matches the L1 price, the contract may be awarded to the L1 bidder.
- (iv) "Class-II local supplier" will not get purchase preference in any procurement, undertaken by procuring entities.

- (d) **Applicability in tenders where contract is to be awarded to multiple bidders**
In tenders where contract is awarded to multiple bidders subject to matching of L1 rates or otherwise, the "Class-I local supplier" shall get purchase preference over "Class-II local supplier" as well as "non-local supplier", as per following procedure:
- (i) In case there is sufficient local capacity and competition for the item to be procured, as notified by the nodal Ministry, only Class I local suppliers shall be eligible to bid. As such, the multiple suppliers, who would be awarded the contract, should be all and only "Class I Local suppliers".
 - (ii) In other cases, "Class II local suppliers" and "Non local suppliers" may also participate in the bidding process along with "Class I Local suppliers" as per provisions of the Order.
 - (iii) If "Class I Local suppliers" qualify for award of contract for at least 50 (fifty) percent of the tendered quantity in any tender, the contract may be awarded to all the qualified bidders as per award criteria stipulated in the bid documents. However, in case "Class I Local suppliers" do not qualify for award of contract for at least 50 (fifty) percent of the tendered quantity, purchase preference should be given to the "Class I local supplier" over "Class II local suppliers"/ "Non local suppliers" provided that their quoted rate falls within 20 (twenty) percent margin of purchase preference of the highest quoted bidder considered for award of contract so as to ensure that the "Class I Local suppliers" taken in totality are considered for award of contract for at least 50 (fifty) percent of the tendered quantity.
 - (iv) First purchase preference has to be given to the lowest quoting "Class-I local supplier", whose quoted rates fall within 20 (twenty) percent margin of purchase preference, subject to its meeting the prescribed criteria for award of contract as also the constraint of maximum quantity that can be sourced from any single supplier. If the lowest quoting "Class-I local supplier", does not qualify for purchase preference because of aforesaid constraints or does not accept the offered quantity, an opportunity may be given to next higher "Class-I local supplier", falling within 20 (twenty) percent margin of purchase preference, and so on.
- (e) **Minimum local content:** The "local content" requirement to categorize a supplier as "Class-I local supplier" is minimum 50 (fifty) percent. For "Class-II local supplier", the "local content" requirement is minimum 20 (twenty) percent. Nodal Ministry/ Department may prescribe only a higher percentage of minimum local content requirement to categorize a supplier as "Class-I local supplier"/ "Class-II local supplier". For the items, for which Nodal Ministry/ Department has not prescribed higher minimum local content notification under the Order, it shall be 50 (fifty) percent and 20 (twenty) percent for "Class-I local supplier"/ "Class-II local supplier" respectively.
- (f) **Requirement for specification in advance:** The minimum local content, the margin of purchase preference and the procedure for preference to Make in India shall be specified in the notice inviting tenders or other form of procurement solicitation and shall not be varied during a particular procurement transaction.
- (g) **Verification of local content:**
- (i) The "Class-I local supplier"/ "Class-II local supplier" at the time of tender, bidding or solicitation shall be required to indicate percentage of local content and provide self- certification that the item offered meets the local content requirement for "Class-I local supplier"/ "Class-II local supplier", as the case may be. They shall also give details of the location(s) at which the local value addition is made.
 - (ii) In cases of procurement for a value in excess of Rs. 10 crores, the "Class-I local supplier"/ "Class-II local supplier" shall be required to provide a certificate from the statutory auditor or cost auditor of the company (in the case of companies) or from a practicing cost accountant or practicing chartered accountant (in respect of suppliers other than companies) giving the percentage of local content.
 - (iii) False declarations will be in breach of the Code of Integrity under Rule 175(1)(i)(h) of the General Financial Rules for which a bidder or its successors can be debarred for up to two years as per Rule 151 (iii) of the General Financial Rules along with such other actions as may be permissible under law.
 - (iv) A supplier who has been debarred by any procuring entity for violation of the Order shall not be eligible for preference under the Order for procurement by any other procuring entity for the duration of the debarment. The debarment for such other procuring entities shall take effect prospectively from the date on which it comes to the notice of other procurement entities.

Make in India Certificate
