	Register		~

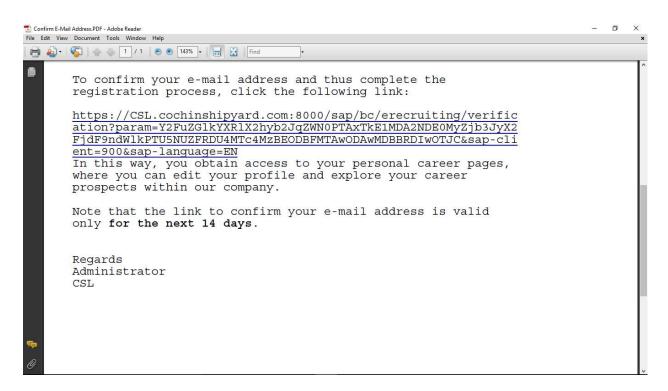

Please complete the Registration Form. The fields marked with an asterisk (*) are mandatory, and are necessary for us to identify and contact you. Please note that once you have registered, you will use a username to access this site in future.

Your Username should be the E-mail ID.

The e-mail address that you enter must be unique to you, and should not belong to, or be used by other people. Please re-type it in the "**Repeat E-mail**" field to ensure that you have not made any typographical errors. Please "**Check**" the Instruction Statement. Once you have clicked "**Register**", you will be advised whether your registration has been successful. If it is not, please check the information you have submitted and rectify any errors/omissions.

If successfully registered, you will be sent an auto generated confirmation e-mail to the email address. Open the pdf attached to the email message, which contains a link (or url) valid for 14 days. Copy and paste the url (shown below) contained in the pdf into a web browser.

The message "**You have confirmed your email address**" will be displayed on screen once the email address is confirmed.

Once you have registered and confirmed your email address, you can use your login details (user name/ID and password) to log into the UCSL's career site, which besides enabling you to apply for positions, also gives you the ability to track your application progress.

The overview page is opened with links for further navigation.

HINTS FOR REGISTERED USERS

Once you have registered in our career website, you need not register again but sign in with the username and password you have provided. To do so, open the UCSL's career website and the post is notified. Click on "Sign In" within the page.

The login screen is displayed.

ogon	
Register here	
User *	
Password *	
	Accessibility
	Log On
Change Password	Password Forgotten

Enter your user name and password entered during registering. Click on "Logon".

The "Applicant Cockpit" is opened. Changing Password

If you would like to change your password, you will click on "Sign In" link to get the login screen.

Enter your user name and your password. Click on "Change Password" link.

User	JOBIN@CSL.COM
Current Password *	
New Password *	
Repeat Password *	

Enter your current password and your new password. Repeat your new password. Choose Change. The system checks your new password and saves it. From now on, you can log on using your new password only.

Requesting an Alternative Password

If you have forgotten your username or password click on link "**Sign In**" to get the Logon screens. Click on "**Password Forgotten**" link. The forgotten password screen opens.

Have you forgotten your password?	
If you cannot remember your password, you can request that an alternative password be sent to the	he e-mail address that you specified in your resume Enter your user name and/or your e-mail address and request the password
User Name:	
Request Password Back to Logon	

Provide your User Name or Email Address in the given textbox, and then click on the "Request Password". An alternative password is auto-generated and auto sent to the email address that you entered. You can use the alternative password to regain access to your Applicant Cockpit.

For security reasons, you should change the alternative password immediately once you have logged on successfully.

Repeated typing of wrong password may lead to locking of the profile, and in such cases wait for the auto-generated e-mails, and/or try after some time or next day.

HOW TO CREATE A PROFILE

To apply for a vacancy online, you need to create an electronic résumé, complete with supporting documentation. (section - **My Profile**)

1. Personal Data: The "My Profile" page allows you to add your address and

contact information. You can also update this information if it has changed.

You need not re-enter data that you already entered while registering
