How to register online

Click on link **“Registration”** within the page. The Registration page is displayed as follows.

Registration

Welcome to the Online Recruitment Application of Cochin Shipyard Limited

General Instructions to Applicants:

1. You should have a Unique Mobile Number and Valid E-mail id for doing the Registration.
2. Please enter your e-mail ID itself as the User Name.
3. Once registered and your e-mail is confirmed, you can enter into the Application Wizard and complete your profile creation by giving details like Personal Data, Educational Qualifications, Work Experience, etc.
4. You may also attach your passport size photograph (.jpg format), relevant certificates (.jpg format), resume (.pdf or .doc format) and other documents (.pdf or .doc format) with a maximum size of 2 MB for each file in the 'Attachments' section of the Application Wizard. As such, it is advised to keep these ready before starting the registration process.
5. After Registration and Completion of Profile, you may browse through the 'Employment Opportunities' to apply for a particular post.
6. You can also release your profile to our Data Bank, so as to create an application pool of prospective candidates to consider against future vacancies as and when arises. However, it is compulsory that you apply against the vacancies published from time to time, in order to be considered against that particular post.
7. No application fee for candidates belonging to Scheduled Caste (SC) / Scheduled Tribe (ST) / Person with Disability (PWD). In case of Open and OBC candidates, Application fee as mentioned in the vacancy notification should be remitted through Online payment options (Debit card/Credit card/Internet Banking). It is important to note that, candidature will be considered only on receipt of fee as applicable.
8. Mere Registration will not be considered as an application against any particular post.
9. Inactive profiles will expire automatically within a period of six months i.e. if you are not logging in / updating the profile for a period of six months.

*** Please proceed to Profile Creation by filling up the following details:

We endeavour to ensure that the data you submit to us remains confidential and is used only for the purposes stated in the data privacy statement.

☐ Yes, I have read the data privacy statement and I accept it

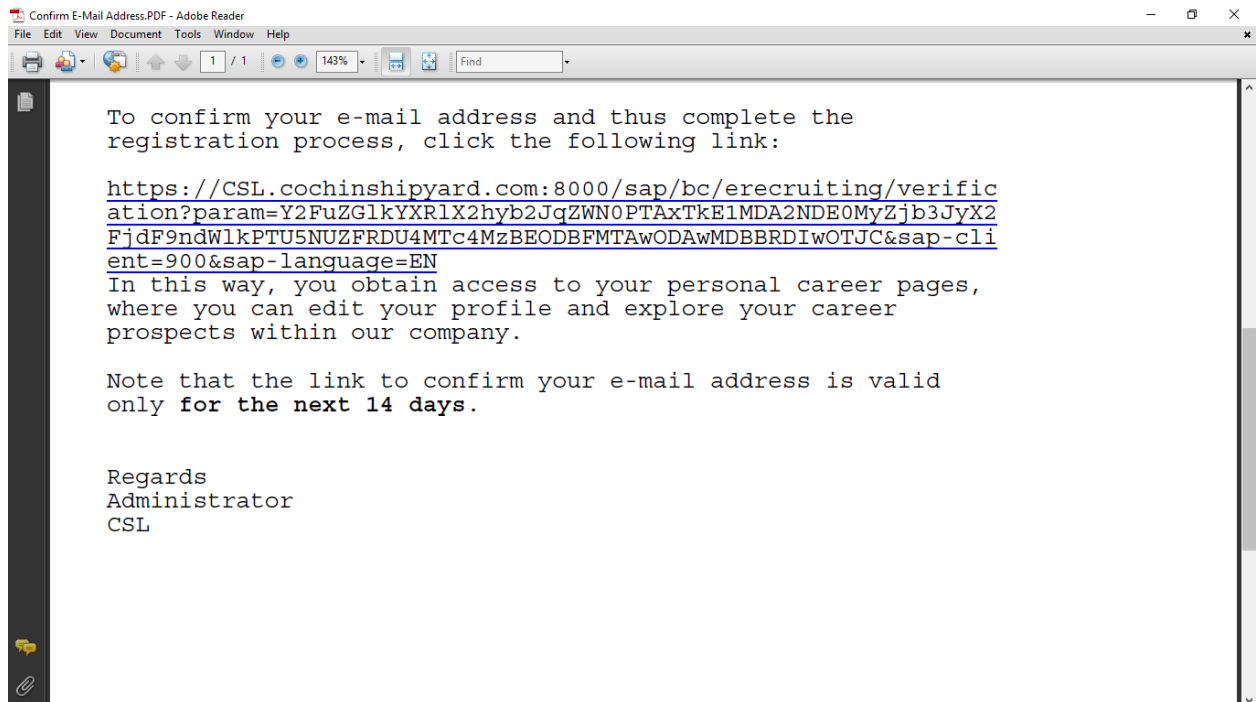

Register

Please complete the Registration Form. The fields marked with an asterisk (*) are mandatory, and are necessary for us to identify and contact you. Please note that once you have registered, you will use a username to access this site in future.

Your **Username** should be the **E-mail ID**.

The e-mail address that you enter must be unique to you, and should not belong to, or be used by other people. Please re-type it in the **“Repeat E-mail”** field to ensure that you have not made any typographical errors. Please **“Check”** the Instruction Statement. Once you have clicked **“Register”**, you will be advised whether your registration has been successful. If it is not, please check the information you have submitted and rectify any errors/omissions.

If successfully registered, you will be sent an auto generated confirmation e-mail to the email address. Open the pdf attached to the email message, which contains a link (or url) valid for 14 days. **Copy and paste the url (shown below) contained in the pdf into a web browser.**

The message “**You have confirmed your email address**” will be displayed on screen once the email address is confirmed.

Once you have registered and confirmed your email address, you can use your login details (user name/ID and password) to log into the CSL's career site, which besides enabling you to apply for positions, also gives you the ability to track your application progress.

The overview page is opened with links for further navigation.

HINTS FOR REGISTERED USERS

Once you have registered in our career website, you need not register again but sign in with the username and password you have provided. To do so, open the CSL's career website and the unit where the post is notified. Click on “**Sign In**” within the page.

The login screen is displayed.

Enter your user name and password entered during registering. Click on “**Logon**” .

The **"Applicant Cockpit"** is opened.

Changing Password

If you would like to change your password, you will click on **"Sign In"** link to get the login screen.

Enter your user name and your password. Click on **"Change Password"** link.

The screenshot shows a 'Change Password' form. It has a title bar 'Change Password'. Below it, there are four input fields: 'User' (containing 'JOBIN@CSL.COM'), 'Current Password *', 'New Password *', and 'Repeat Password *'. At the bottom, there are two buttons: 'Change' (highlighted in yellow) and 'Cancel'.

Enter your current password and your new password. Repeat your new password. Choose Change. The system checks your new password and saves it. From now on, you can log on using your new password only.

Requesting an Alternative Password

If you have forgotten your username or password click on link **"Sign In"** to get the Logon screens. Click on **"Password Forgotten"** link. The forgotten password screen opens.

The screenshot shows a 'Have you forgotten your password?' form. It has a title bar 'Have you forgotten your password?'. Below it, there is a paragraph of text: 'If you cannot remember your password, you can request that an alternative password be sent to the e-mail address that you specified in your resume. Enter your user name and/or your e-mail address and request the password'. Below this text, there is a 'User Name:' label and a text input field. At the bottom, there are two buttons: 'Request Password' (highlighted in yellow) and 'Back to Logon'.

Provide your User Name or Email Address in the given textbox, and then click on the **"Request Password"**. **An alternative password is auto-generated and auto sent to the e-mail address that you entered.** You can use the alternative password to regain access to your Applicant Cockpit.

For security reasons, you should change the alternative password immediately once you have logged on successfully.

Repeated typing of wrong password may lead to locking of the profile, and in such cases wait for the auto-generated e-mails, and/or try after some time or next day.

HOW TO CREATE A PROFILE

To apply for a vacancy online, you need to create an electronic résumé, complete with supporting documentation. (section - **My Profile**)

1. **Personal Data:** The “My Profile” page allows you to add your address and contact information. You can also update this information if it has changed.

You can give the details of your friend here. If you tick the box **"Copy to My E-Mail Address"** then you will get the link.

After clicking on **"Send"** button, your friend receives an e-mail. This includes, among other things, the text entered by you and the link to the current job posting.

Your friend uses the link to look at the job posting and apply if interested.

NOTIFICATION OF RELEVANT EMPLOYMENT OPPORTUNITIES (JOB AGENT)

You can use this process to receive information regularly and automatically about employment opportunities that meet the search criteria defined by you. You can also specify that the system automatically inform you about employment opportunities that meet the criteria for a new work relationship defined in your candidate profile.

Click on the **"Job Agents"** view to activate the job agents' window.

The screenshot shows the 'Job Agents' window within the 'Employment Opportunities' tab. The 'Job Agents' sub-tab is selected and highlighted with a red box. The window title is 'Job Agents'. Below the title, there is a question: 'Would you like to receive notifications about interesting job postings?' followed by an explanatory text: 'Here, you see the job agents that you created so you can receive notifications about interesting job postings.' Below this text is a table with the following structure:

Name of Job Agent	Job Agent Frequency	Status
The table does not contain any data		

Below the table are three buttons: 'Add', 'Edit', and 'Delete'. Below these buttons is a checkbox labeled 'Notify me by e-mail if the requirements in a job posting match the information in my profile.' and a 'Save' button.

Click on **"Add"** button to create a new job agent.

The Job Search view appears.
