

**Press Release
17 Dec 10**

**COCHIN SHIPYARD IN THE PATH OF CORPORATE
SOCIAL RESPONSIBILITY**

The waste disposal and Palliative Care Facilities at the General Hospital, Ernakulam, sponsored by Cochin Shipyard Limited, were dedicated to the people by His worshipful Mayor of Kochi Shri Tony Chammany, today. Shri Domnic Presentation, MLA, Dr Beena, IAS, District Collector, Cmde K Subramaniam, Officiating Chairman & Managing Director, Cochin Shipyard Limited, Shri V Radhakrishnan, Director (Technical), Cochin Shipyard Limited, senior doctors and staff of the General Hospital were present during the occasion.

The solid waste treatment and disposal facility dedicated today, is based on the bio degrading technology and would go a long way in solving the waste disposal problems of the hospital and ensure qualitative improvement in care and hygiene. The palliative care unit would ensure care and support for the terminally ill patient.

Cochin Shipyard as part of its Corporate Social Responsibility has sponsored schemes to provide succor and help to the community. This is in the line with the Government directives on the subject. As per the policy the company aims to contribute towards causes relating to Community development, Green Technology, Capacity building and art, culture & sports.
