COCHIN SHIPYARD LIMITED DELIVERS ANOTHER PLATFORM SUPPLY VESSEL

Cochin Shipyard delivered a Platform Supply Vessel “Brage Supplier “ to Brage Supplier KS, Norway. This is the second of the high technology offshore vessel that have been constructed and delivered by CSL this year. The Protocol documents of the ship were signed by Shri Vinayakumar P, Director (Technical) on behalf of Cochin Shipyard and Mr John Nielson, representative of Brage Supplier KS , Norway.

The vessel is of PSV 09 CD type designed by STX OSV Norway and are classed under the Rules and Regulations of Det Norske Veritas and is flagged under the Norwegian regulations. The 86 x 19 Metre vessel is a high end Diesel Electric PSV with by 4 Nos 1665 KW Diesel gen. sets and 2 Nos 2200 KW contra rotating propellers. The vessel with Grade II Dynamic Positioning features has been assigned the ‘CLEAN’ design notation by DNV signifying the highest levels of environmental compliance. The vessel with accommodation for 44 persons also meets the requirements of COMF class signifying high comfort levels due to special arrangements to attain very low levels of noise and vibration. The vessel has special stainless steel tanks with Nitrogen inerting arrangements to carry low flash liquids and is capable of all other normal offshore supply operations.

The shipyard is constructing two more of the same class of vessels for Norwegian owners.

The vessel “Brage Supplier” is expected to sail off for Norway by next week.
