KEEL LAID FOR PLATFORM SUPPLY VESSEL AT CSL

The Keel for a Platform supply Vessel, bearing CSL Yard No. BY084 was laid today at Cochin shipyard Limited by Shri. K. Madhavan Nair, IRS, Chief Commissioner of Income Tax, Kochi in the presence of Owners representative Mr Greg, Brage Supplier's Ltd, Norway. Cmde K Subramaniam, CMD, senior officers and employees of CSL were present.

BY 084 is the 4th of a series of 4 Nos Platform Supply vessel of type PSV 09 CD designed by STX Europe being built by CSL for European clients. The vessel being built for M/s Brage Supplier, Norway is a modern large Diesel Electric PSV designed to cater to all around needs of the Offshore oil and gas industry. The 86 x 19 Metre vessel meets the highest levels of environmental safety denoted by the CLEAN DESIGN notation of M/s Det Norske Veritas. The vessel with accommodation for 44 persons in addition to the normal offshore supply functions, is capable of carrying Low flash liquids like methanol in specially protected Stainless steel tanks. The vessel is equipped with Dynamic positioning Grade 2 equipment.
